Part XIII

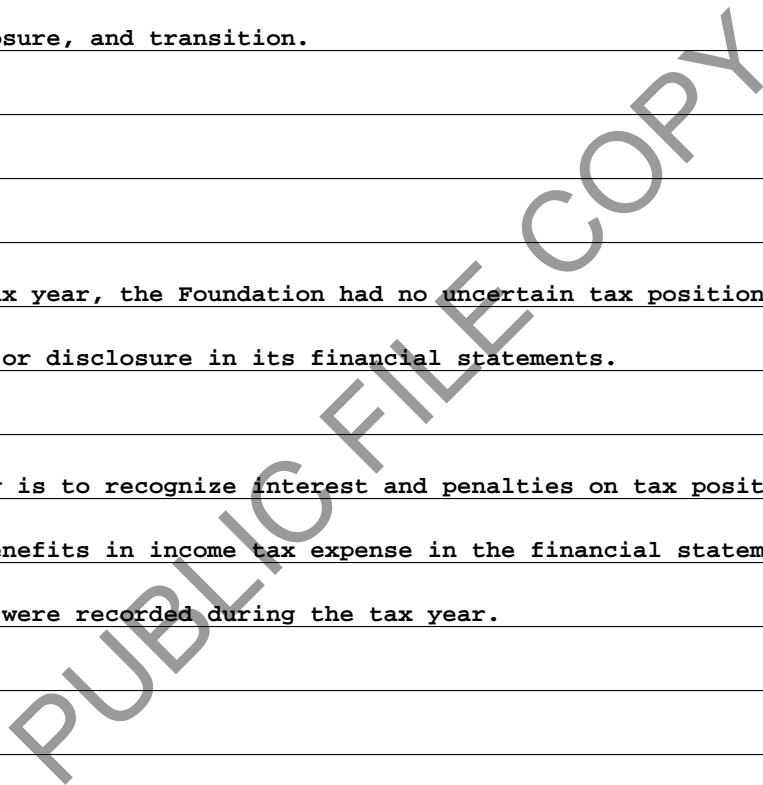

Supplemental Information (continued)

01. Footnote for uncertain tax position under FIN 48 (Part X)

The Foundation follows the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC), which provides guidance on accounting for uncertainty in income taxes recognized in the Foundation's financial statements. The guidance prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return, and also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition.

As of the end of the tax year, the Foundation had no uncertain tax positions that qualify for either recognition or disclosure in its financial statements.

The Foundation's policy is to recognize interest and penalties on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were recorded during the tax year.

01. Monitoring procedures (Part I, line 2)

Successful grant applicants are sent an announcement letter and a grant memorandum of understanding which details the VSF terms of the grant. This memorandum of understanding must be signed and returned to VSF prior to funding the grant.

Organizations that have received grant funding from VSF are required to submit a 250 - 500 word narrative on the uses of the funds including visuals of the work performed, when possible. 25% of the grant award is withheld until the narrative has been submitted. If an applicant does not submit its narrative by the deadline, it will not receive the final 25% of the grant award and VSF will not consider them eligible for future grant funding.

Part IV Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

03. Additional Information for Schedule I

Grant applications must be postmarked by March 31. The VSF Board is presented those applications that are complete and then each grant application is assigned to a Board Member who reviews the grant application and preliminarily decides to accept or reject the application. All Board Members participate in the vote to accept or reject all applications. Accepted grants are reviewed in further detail. Grant requests are compared to available funding and the final decisions are made. The motion to fund grants is documented in the minutes of the board meeting.

The VSF Board approves grant applications and records a grant payable if and when grants are approved by the Board. If the grantee does not supply VSF with certain documents, VSF will not disburse any grant funds and will write off the grant. Occasionally, the grant write-off occurs in the year following the award and thus the write-off reduces the current year grant expense.
